The image contains three side-by-side screenshots of web-based sign-in pages:

- Screenshot 1: Google Sign in**
The page features the Google logo and the text "Sign in". Below it is the instruction "Use your Google Account". A large input field is labeled "Email or phone" and contains the text "test_studentB@students.edu.sg". To the left of this input field is a yellow circle with the number "1". Below the input field are links for "Forgot email?" and "Not your computer? Use Guest mode to sign in privately. Learn more". At the bottom are "Create account" and "Next" buttons.
- Screenshot 2: Microsoft Sign in**
The page features the Microsoft logo and the text "Sign in". Below it is the instruction "test_studentB@students.edu.sg". To the left of this input field is a yellow circle with the number "2". Below the input field are links for "Can't access your account?" and "Sign-in options". At the bottom is a "Next" button.
- Screenshot 3: Microsoft Enter password**
The page features the Microsoft logo and the text "← test_studentB@students.edu.sg". Below it is the instruction "Enter password". An input field contains several dots, with a yellow circle containing the number "3" to its left. Below the input field are links for "Forgotten my password" and "Sign in".

This screenshot shows the "Enter password" step of the Microsoft sign-in process. It includes the Microsoft logo, the user's email address, a password input field with a yellow circle containing the number "3" to its left, and "Sign in" and "Forgotten my password" buttons.

Possible issues you may encounter when onboarding to Student iCON.

For issue D, E or other IAMS password-related issues, e.g. forgotten password or inactive account, please approach your school's IAMS Student Account Coordinator (ISAC) to reset your password.

- D** The password you have provided is incorrect.

The screenshot shows a Microsoft sign-in interface. At the top left is the Microsoft logo. Below it is an email address: ← test_studenta@student.edu.sg. The main heading is "Enter password". A red error message follows: "Your account or password is incorrect. If you can't remember your password, [reset it now.](#)". Below the message is a password input field with the placeholder "Password".

- E** Your account has been locked out due to keying in the incorrect password too many times.

The screenshot shows a Microsoft sign-in interface similar to the previous one. It features the Microsoft logo, the email address ← test_student@students.edu.sg, and the "Enter password" heading. A red error message states: "Your account has been temporarily locked to prevent unauthorised use. Try again later, and if you still have trouble, contact your admin.". Below the message is a password input field with the placeholder "Password".
